Hi Markie,

Land is arguably one of the most valuable resources on Earth - so why not have a piece of your own?

With a Vacant Land Loan, you could get the resources you need to do just that. This specialized program allows the following:

- Credit scores as low as 660 qualify
- Finance up to 65% of the property value
- Purchase and refinance options are available
- No acreage limitations
- Loan amounts from \$100k to \$825k are accepted

Whether you want to build a home, create investment properties, or even have the ability to do outdoor recreation activities on your own land, this could be an incredible option for you.
