Ready to explore homes but not sure where to start? We've got you covered. The home shopping tool below helps you browse homes while staying in sync with your budget and mortgage options. This tool connects your home search directly to your loan strategy—you'll be able to set your budget and find homes in your area that meet your price range.

You can also request a pre-qualification, which will adjust your search parameters allowing you to shop with confidence!

Whether you're browsing casually or getting serious, this tool puts you in control. If you're already working with a real estate agent, you can add them to your profile so they can see your favorited homes and help you with your search.
